

The Path of God (in-game document)

This ritual allows participants to temporarily visit Heaven, but does not permanently consign their souls there. Whenever someone who has previously been part of this ritual arrives at Limbo, they may choose to go to Heaven rather than following the usual instructions at Limbo.

A group of at least two people must all join hands in a circle. They must all pray together:

*O my God, I am heartily sorry for having offended you and I detest all my sins, because I dread the loss of heaven and the pains of hell. But most of all because I have offended you, my God, who are all good and deserving of all my love. I firmly resolve with the help of your grace, to confess my sins, to do penance and to amend my life.
Amen.*

Then they must each sprinkle their forehead with clean water.

After all have done so, proceed together to Heaven (Room D).

Involuntary Version

If there are at least three voluntary participants, two of the participants can be restraining someone, and the third can sprinkle the restrained person's forehead, and then the restrained person comes along as well despite not participating.
