

# The Path of Satan (in-game document)

This ritual allows participants to temporarily visit Hell, but does not permanently consign their souls there. Whenever someone who has previously been part of this ritual arrives at Limbo, they may choose to go to Hell rather than following the usual instructions at Limbo.

A group of at least two people gather together. They must all incant together:

In the Name of Satan, Ruler of the Earth, True God, Almighty and Ineffable, Who hast created man to reflect in Thine own image and likeness, I invite the Forces of Darkness to bestow their infernal power upon me. Open the Gates of Hell to come forth to greet me as your friend.

Deliver me, O Mighty Satan, from all past error and delusion, fill me with truth, wisdom and understanding. Don't let me be bound by irrefutable doctrines, but lead me to true freedom. Take away the fear that binds me; set me on my true path: to believe in what is real, not in someone else's insanity.

Then each participant must cut their hand with a sharp weapon and, together, draw a pentagram with their blood.

After all have done so, proceed together to Hell (Room E).

## Involuntary Version

If there are at least three voluntary participants, two of the participants can be restraining someone, and the third can cut the restrained person's hand, and then the restrained person comes along as well despite not participating.
